The above schemes were considered and approved by the Divisional Development Working Party in its meeting held on 06.03.2023.

Administrative Approval is further subject to observance of all codal, procedural, legal, financial, budgetary, audit requirements and conditions noted in the minutes of the DDWP meeting. The expenditure thus involved will be debited subject to strict observance of financial regularities and codal formalities.

The expenditure involved will be chargeable to Major & Minor Head of the respective scheme during the year 2022-23. Final responsibility of rates, provisions, quantities and quality shall rest with the authority competent to accord technical sanction and executing agency. All codal/legal/procedural formalities, all relevant rules and instructions must be observed strictly. No commitment is to be made, liability be created, work be allotted or executed without availability and receipt of funds in any case. Submission/ placing a certificate at the relevant forums/ record to the effect that the said schemes of the similar nature of scope of works / schemes have not been taken up by any other department / government agency earlier. No work shall be executed in any privately developed land/ housing scheme. Expenditure shall not be incurred through re-appropriation without prior approval / clearance as per law /policy / codal & legal formalities of the competent authority. If done so, the executing agencies shall be personally responsible

Furthermore, scheme involving acquisition, transfer and mutation in case of private and Government land involved for a scheme must ensure mutation, transfer and acquisition of land in favor of the Government or concerned administrative department before the commencement of work on ground. Work order shall not be issued until mutation / transfer of land to the Client department / agency has been successfully completed. In case of failure, Client department & executing agencies shall be held solely liable and face all the consequence.

The responsibility for feasibility, correctness and authenticity of all designs, drawings, plans, technology used, calculations, quality and quantity, successful implementation, avoiding any irregularities lies on the executing agency, consultants and PMDFC

The executing agency concerned will be responsible for observance of all codal, procedural, legal, financial, budgetary and audit requirements / formalities.
